

Premium Interior Dry Fall Coatings

AQUAFALL®

INTERIOR

**Multiple sheens and colors
for all projects.**

**THE #1 CHOICE OF
PAINTING PROFESSIONALS®**

AQUAFALL®

is a line of premium waterborne dry fall (dry fog) coatings that provide excellent durability and performance. They are ideal for use on commercial ceilings, warehouses, factories, retail outlets, hangars, parking structures, and other facilities where overspray cannot be tolerated.

Why AQUAFALL® outperforms other dry fall coatings

- :: Available in tint bases in Flat, Eggshell, and Semi-Gloss finishes to obtain a wide range of colors
- :: Formulated with the highest quality resins and pigments to provide better adhesion

Gloss may be affected by texture, porosity of the surface and atmospheric conditions. Please contact a Dunn-Edwards representative or your local store for specific product availability.

PRODUCTS BEARING THIS LOGO ARE EG-FREE® AND TAC/HAP-FREE

Ethylene Glycol (EG), a solvent often used in water-based paints, is listed as a Toxic Air Contaminant (TAC) and Hazardous Air Pollutant (HAP). In 1983, we were the first in the industry to voluntarily replace EG with Propylene Glycol, a non-toxic alternative "generally regarded as safe" by the FDA. Also, every Dunn-Edwards product with the EG-Free logo is free of any other TAC or HAP, too.

VOC AND RAVOC RATINGS ON EVERY LABEL

Dunn-Edwards is the first paint company to label its products with RAVOC ratings — Reactivity-Adjusted VOC Content — a better way to measure potential air quality impacts of coatings. To learn more about RAVOC ratings visit dunnedwards.com/RAVOC.

LEED® GOLD-CERTIFIED PAINT MANUFACTURING FACILITY

In 2011, Dunn-Edwards opened the world's first and only LEED® Gold-certified paint manufacturing facility in Phoenix, AZ. Encompassing manufacturing, product development, quality control and more, the 336,000-sq. ft. facility is designed to be the greenest in the industry.

"LEED" and related logo is a trademark owned by the U.S. Green Building Council and is used with permission.
