

READY, SET, BEAUTIFUL

Instant Designer Collection

Swiss Coffee / DEW341
LRV 83

This warm and creamy white evokes a quiet, effortless beauty and forms the perfect backdrop for casual details that never feel out of place.

Whisper / DEW340
LRV 87

With just a light blush of color, this delicate hue softens the feeling of white to bring romance and poetry to any space.

Classic White / DEHW08
LRV 84

Crisp, clean, and fresh with cool undertones, Classic White works as a primary or trim color to add a sense of confidence and optimism.

Stucco Tan / DE6205
LRV 68

Relax with this comfortable warm neutral. Amazingly versatile, Stucco Tan pairs well with everything from Boho to Contemporary design.

Crisp Muslin / DE6212
LRV 71

Honest and welcoming, this soft greige pairs well with plants, wood accents, and natural light to bring the beauty of the outdoors ... inside.

Whisper Gray / DEC785
LRV 73

Modern elegance speaks volumes without saying a word. This white-washed gray gives any room an airy, museum-like crispness.

Instant Designer Collection

They say all good things take time, but we're out to prove them wrong. This beautifully subtle palette lets you skip the mix and give any space a signature look in an instant.

Instantly Beautiful

The Instant Designer Collection is your go-to palette for effortless beauty and lasting style. This exclusive collection was hand-selected by interior design experts to give you picture-perfect results in no time.

COLOR CHIPS AND PAINT: These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full applications. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for the color after application.
