## LEED v4/4.1 MR CREDIT: BUILDING PRODUCT DISCLOSURE AND OPTIMIZATION

—

### SOURCING OF RAW MATERIALS

#### Responsible Sourcing of Raw Materials: Extended Producer Responsibility

This is to certify that architectural coatings manufactured by Dunn-Edwards Corporation qualify for the above-mentioned LEED v4/4.1 credit as “Products purchased from a manufacturer (producer) that participates in an extended producer responsibility program or is directly responsible for extended producer responsibility.”

Dunn-Edwards Corporation participates in the state-sanctioned, paint industry-managed PaintCare Program for collection and recycling of unwanted leftover paint. All LEED-qualified products manufactured by Dunn-Edwards can be processed through the PaintCare Program. All Dunn-Edwards retail locations in the State of California operate as PaintCare Collection Centers. For more information on the PaintCare Program, please visit [www.paintcare.org](http://www.paintcare.org).
